

FOR IMMEDIATE RELEASE:

SECOND ROUND OF PFIZER COVID- 19 VACCINES TO BE ADMINISTERED AT DHR HEALTH

Edinburg, Texas (January 5, 2021) – DHR Health has received the second round of COVID-19 vaccines from Pfizer for distribution this week.

These doses are solely for the 5,850 people who received the first vaccination last month.

Vaccinations will begin on Thursday, January 7, 2021 at the Edinburg Conference Center at Renaissance and will continue through Sunday, January 10, 2021.

It is very important that the public understand that no “first doses” will be given at this time.

DHR Health has implemented a very strict plan to ensure that all 5,850 second doses are administered to those who received the first vaccine with us.

Please inform the public of the following guidelines that must be followed in the coming days.

- Return to Edinburg Conference Center at Renaissance on the date specified on vaccination card
- Vaccination cards will be required
- Photo ID is required and will be matched to the information on the original vaccination card
- Only those who received 1st dose of Pfizer at DHR Health will be allowed to get the 2nd dose at DHR Health
- Special accommodations will only be provided for those with disabilities receiving the 2nd dose
- NO FIRST DOSES WILL BE ADMINISTERED
- NO ONE WHO RECEIVED A FIRST DOSE AT ANOTHER LOCATION OTHER THAN DHR HEALTH WILL BE ALLOWED TO GET THEIR SECOND DOSE WITH DHR HEALTH
- IF YOU DO NOT HAVE YOUR VACCINATION CARD, CONTACT THE COVID HOTLINE AT DHR HEALTH AT (956) 362-8800 IMMEDIATELY
